French	100%	75%
History	88.9%	66.7%
English Literature	80%	25%
Mathematics	95%	25%
Spanish	100%	100%

Closing perspective

Achievement with ambition for what comes next

The 2025 IGCSE results highlight the academic strength and educational quality of Dallington School. All students met the requirements for automatic recognition of the Spanish 4º ESO certificate.

The original report highlights particularly strong outcomes in Art, French, Science, Spanish and English Language, and compares Dallington's results favourably with cited 2025 England GCSE benchmarks.

It also emphasises the performance of students with Special Educational Needs and links the school's approach to strong support systems, personalised learning pathways and an inclusive culture. The September 2026 update additionally references the four-year full authorisation awarded after the NABSS inspection in February 2026.

OUR DIRECTION

We remain committed to effort, excellence, academic rigour, inclusion and personalised support so that every student can reach their maximum potential.
