Extra-curricular clubs are a fundamental part of everything we do at Dallington and is an environment where you can develop your interests and hobbies while learning valuable life skills which will support you now and in the future. Participation in extra-curricular clubs that you are passionate about will provide a wealth of social opportunities that gives you something fun to do outside of your studies. Fundamentally, it allows you time to build stronger relationships with staff and students alike; the more that you push yourself in your extracurricular endeavours, the more you will develop these skills.

Extracurricular activities can help you build leadership, organisation, resilience, initiative and communication: all of which are essential life skills. Please look carefully through this brochure at everything we have on offer at Dallington. What will you choose to broaden your horizons? If you have any questions or have ideas about clubs you would like to attend at Dallington, please let us know. We believe involvement in extracurricular activities will build your character and contribute to an all-round education. You will meet new friends, expand your interests and perhaps find a new talent!
